FACELIFT *Replay*

Healthcare Motion

The Replay Electric Stand-Up Recliner is the perfect addition to our healthcare product offerings. It boasts several impressive features including electric power, stand-up and recline positioning, and an optional battery pack.

As with all of Trinity's Facelift products, an antimicrobial moisture barrier fully encapsulates all foam areas. In addition, the upholstery covers are attached with velcro, making it easy for removal and maintenance.

- All necessary care options are available
- Backed by a lifetime warranty
- Comfort, Function and Value
- Proudly made in the USA
- Certified Level 1: The BIFMA Sustainability Standard
