Classically styled, the Radcliffe Camera Tables are crafted from select cherry solids and veneers, and are perfectly proportioned to blend into sophisticated, transitional and contemporary spaces. Elegantly sculptured tapered legs support an exquisite sunburst design top surface, which is finished with a vertically grained edgeband.

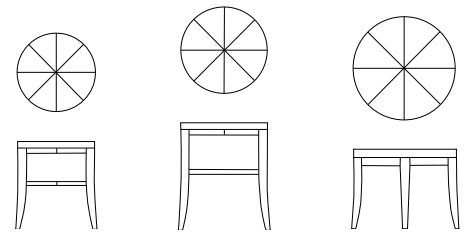

Surface Options

Alternate veneer patterns, laminates and solid surfaces are available upon request. Please contact customer service with your requests.

Custom tables with non-standard dimensions are possible. Please contact us for quantity requirements.

Proudly made in the USA.
