Finely carved solid cherry wood and fine craftsmanship are hallmarks of the Classic Collection of executive office seating. Richly detailed upholstery and supple cushions provide exactly the correct support while cradling the spine for periods of extended use.

Tilt mechanism functions include:

- Conference tilt swivel with tilt lock.
- Executive knee tilt swivel with forward tilt and infinite tilt lock.
- Jury tilt swivel with tilt lock and self centering 360° rotation.
- Pneumatic height adjustment.

Task and teller seating provide integral back height adjustment. Arms adjust horizontally and vertically.

Tilt mechanism functions include:

- Ergonomic tilt swivel with at rest lock.
- Tilt swivel with forward tilt and infinite lock, and articulating back.

Base selections include wood capped and resin bases. Wood bases are shown with optional brass scuff plates and brass hooded dual wheel casters. Trinity Textiles, Leathers and approved COM Textiles are available along with standard Trinity and custom wood finishes.

Executive

An understated design, coupled with all the necessary ergonomic features, makes the Classic Collection of executive seating the right choice for today's transitional office and judicial environments.

Embellished with carved solid cherry exposed wood accents, our hardwood interior frames are crafted just as old world bench crafted furniture from a previous age, and rigorously tested in our GSA approved lab to assure an uncompromised value.

Our furniture is proudly manufactured in our vertical manufacturing facility in Trinity, North Carolina; where we maintain meticulous control over the design, engineering and production of every item in our broad line of furniture.

Task

Task seating is greatly enhanced with integral height adjustable backs as a standard feature on all models.

When coupled with the articulating tilting back available on some models, this provides for enhanced posture repositioning to ease stress and increase blood flow to the arms and legs.

Arms feature both height and horizontal adjustments for the perfect fit, regardless of body type.
