Velcro attached upholstery, antimicrobial moisture barrier and easily replaced components are standard features of our expanding Facelift Revival Collection. The complete line of patient care recliners and gliders, which includes wallsaver, lay-flat and trendelenburg models, joins the Revival lounge chairs and sofas, ottomans, and benches. Regardless of the damage, items can get a "facelift" simply by replacing any worn component. Requests for custom sizes and features are welcome. Trinity Furniture products are proudly made in the U.S.A.
