TANDEM SEATING

T R I N I T Y

*Dynamic and adaptive seating landscapes are now infinitely possible with Fair & Square. With its simple elements, based on a 36" square module, imaginative layouts become not only intuitively easy, but also fun to do. Optional power/data ports can be integrated as requested. As part of our Facelift Collection, Fair & Square features removable upholstery, antimicrobial moisture barrier protection, field replaceable components and a lifetime warranty.*

*Integrated Power / Data ports can be customized to your specific needs. Please consult customer service for assistance.*

*Table tops are available in a wide variety of laminate, wood veneer and solid surface options.*

*Brushed aluminum round legs are standard. Solid hardwood legs are also available.*

*Velcro attached double-stitched upholstery over a full antimicrobial moisture barrier insures extended serviceability.*
