**All Facelift Crown Products Come Standard With Tapered Wooden Legs. Tapered Brushed Aluminum Metal Legs Are Available As An Upcharge.*

The Facelift Crown collection brings a modern edge to any commercial setting with its sleek, contemporary aesthetic. Within the lounge group, clean lines are complemented by striking angular tables, making it the perfect solution for today's design-forward environments. Function meets form with Facelift's signature cleanability. Velcro attached upholstery, antimicrobial moisture barriers, durable wood finishes, and easily replaceable onsite components ensure lasting performance and hygiene. The collection includes lounge seating and tables engineered to meet competitive weight ratings, with bariatric models available for added inclusivity. Proudly made in the USA and backed by a Lifetime Warranty, Facelift Crown offers timeless design and long-term peace of mind.
