LOUNGE

Q2: 871-P, 872-P, 873-P | Edge Tables: (2) 3242416-G

The Quads family of four distinctively different lounge groups continues to be a wonderful choice for your seating needs. Conceived from a union of well engineered interior components and thoughtfully balanced design, they are identical only under the skin. Each has a unique personality and style that is completely independent of the others. Since The Quads share virtually the same components, you can be assured they also share the same comfort, value, scale, and features. Backed by a 10 Year Warranty and proudly made in America.

Q1

Elegantly traditional, Q1 is simply tailored with a minimum of fuss, allowing it to be upholstered in delicate fabrics or rugged leathers, as shown here. Models include loose cushions or tight seat, plain or sewn tufted tight back.

Q2

Q2's linear silhouette is highlighted by clean, crisp tailoring. It blends easily into almost any interior with a subtle style that becomes almost completely neutral. Models include loose cushions or tight seat, plain or sewn tufted tight back.

Q3

Incorporating the traditional elements of a round column arm and rolled back, Q3 can be surprisingly contemporary when upholstered in black leather. Models include loose cushions or tight seat, plain or sewn tufted tight back.

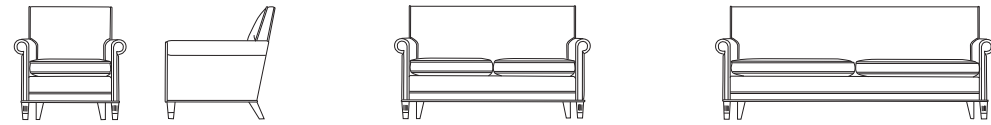

Q4

Unfurled like a ribbon, the Q4's arm borders race from the top of the back to the floor, softly accenting their curves. Models include loose cushions or tight seat, plain or sewn tufted tight back.
