Facelift Polliwogs

A pond full of Polliwogs interlocked into everchanging and endless configurations became the inspiration for these tadpole shaped seating units. The simple organic shape is available as either "in facing", or "out facing"... and when nested with round ottomans and tables, layouts are only limited by your imagination! Small, medium, and large Polliwogs are available with seat heights of 14" and 18", along with 18", 24", and 30" diameter matching ottomans and tables. As part of our Facelift Collection, all Polliwogs feature Velcro attached upholstery and an antimicrobial moisture barrier that fully encapsulates the high density polyurethane foam. Proudly made in the U.S.A. with a Lifetime Warranty.
